

## NEW Contract – Armored Car Services

# GARDAWORLD

### THE “WHY”

GardaWorld Cash Services is North America’s largest cash services company, is entegra’s Preferred Partner for armored car services in the USA. The company’s comprehensive cash management solutions, innovative technology and logistical expertise will help entegra operations meet the priorities of (1) keeping their employees safe and secure at work and (2) helping entegra customers move and manage cash and other valuables securely and efficiently so that they can enjoy greater productivity and profitability.

### PRICING

#### Cash Pickup Service

Negotiated pricing by geography based on number of days per week of service.

#### Shipment Liability

An excess liability charge equal to \$.10 per thousand dollars (which may include one or more items) will apply per location per trip when the declared value of the shipment equals or exceeds \$150,000.

#### Excess Premise Time

Service includes seven minutes to conduct in-store transactions, calculated from the time the guard enters the transaction room. Excess waiting time is billed at \$1.75 per minute.

#### Excess Baggage Fee

A charge of \$.55 per item will apply to each bag over five bags, per location per trip.

**Fuel Surcharge** Based on fuel index

### ACCOUNT SETUP

Contact GardaWorld at 877-287-8889 or [client.support@garda.com](mailto:client.support@garda.com) to start armored car services. Be prepared to provide the following details to set up the account:

- Identify yourself as an entegra customer and provide your entegra account number.
- Requested service days and the name of your financial institution.
- Contact name, phone # and e-mail.

*Entegra customers will be set up by Karl Harman or Oscar Mendoza, GardaWorld Account Managers. Customers should be sure they are dealing with one of these contacts for set up.*

*See next page for service details*
